

Port Sailing School

The mission of Port Sailing Youth Program is to introduce junior sailors to the basics of seamanship, sportsmanship, and boat handling skills. The program strives to instill the value of teamwork, confidence, and a respect for the sea. Through its programs and policies, Port Sailing seeks to support all sailors, at all levels of skill, and to encourage the sport of sailing in local waters and beyond.

Summer Session 2009

For 2009, our summer program will begin Monday June 29, 2009. Sailing sessions are for two week. All session will be Monday through Friday, 9:00 AM until 4:00 PM. The price for the two-week session is \$1,030. We offer a 10% discounts for siblings and early enrollment (by March 15).

Each sailing sessions will consist of a basic sailing course aboard one of our 23-foot keel sailboats. These boats are extremely safe and are fully equipped with all required U.S.C.G. safety gear. Instructors are American Red Cross CPR and First Aid certified. Instructor-to-

student ratio is one to five. This program is designed for those between the ages of 10-17. It is a hands-on sailing course where students learn to both skipper and crew.

Students are grouped according to age and/or experience. All students will complete the NY State Safe Boating Course required by law to operate motor boats and jet skis under the age of 18. Experienced students will sail independently within a specific area under the watchful eye of an instructor. Each student is to bring his or her own lunch, or buy it at the restaurant on the premises.
